

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF HESPERIA**

NAME: JIM LINDLEY

AGE: 47

OCCUPATION: Councilman/Public Administrator

First elected to the Hesperia City Council in 1998, Jim Lindley came into office pledging to improve our roads, increase our public safety, and dedicated to making Hesperia fiscally sound. Jim has accomplished these things and much more.

With conservative fiscal management, Jim has led Hesperia from the verge of financial insolvency to a consolidated budget of over \$181 million this year. Given the enhanced finances of the City, hundreds of miles of Hesperia's roads have been improved and large projects such as the Main Street/I 15 interchange have been built on Jim's watch. Public safety has been dramatically improved by adding many new police and fire personnel, and providing new and upgraded equipment to ensure Hesperia becomes a safer city.

Serving Hesperia beyond ordinary requirements, Jim has served for nearly eight years on our county transportation commission (SANBAG) advocating for Hesperia's interests. Beginning his higher education at Victor Valley College, Jim completed a BA in Economics and earned a Master's degree in Public Administration at CSUSB while serving on the Hesperia City Council.

Jim Lindley believes it is an honor, privilege, and duty to serve his community. Please vote to keep Jim Lindley on the Hesperia City Council.
